ABSTRACT

Abstract— 1 page abstract is required containing the title of the paper, authors, contact person and their affiliations, key words, and a summary of the paper including introduction, methodology, results and discussion and conclusion. Type your main text in 10- point Times New Roman font single spacing. Do not use double spacing. The main title should be center, and in Times New Roman 14-point, boldface types. Author names and affiliations are to be centered beneath the title and printed in Times New Roman 10-point, boldface types only author names. Authors are expected to present at the conference. The full paper will be published in the conference proceedings and selected papers will be considered for peer review in RMUTP Research Journal. The full paper will be the language for all printed materials, as well as for the technical presentations and discussions.

Keywords abstract summary author affixations (not more than 4 words)

1. INTRODUCTION

Should contain, and be structured in the following format: Introduction (problem statements, application area, research course), method used, results, conclusion and references.

2. MATERIALS AND METHODS

A detailed account of the methods and materials used in the course of one's research.

3. RESULTS AND DISCUSSION

Should be concise and clear to the reader.

4. CONCLUSION

Should accomplish several things: Review the central themes, examine implications (action/inaction), and provide closure to the paper's main arguments.
